

BIRTHDAY PARTY CHECKLIST + INFO

PIZZA

No matter what time slot you pick for your party it is always best to serve pizza and cake. If you just serve cake they will be finished in 10 minutes and then they will run around the room for the last 20 minutes and it gets crazy. Also, you don't know when the children you invited ate last. Food then cake is best.

PLEASE PLACE YOUR PIZZA ORDER THE DAY BEFORE YOUR PARTY.

ARRIVE AT FREEHOLD ELITE GYMNASISTICS NO MORE THAN 15 MINUTES EARLY.

Please wait in the waiting room to be greeted by our Professional Party Staff. We will take your cake, drinks and supplies from you and set up the party room while you greet your guests. All parents will be asked to hang their coats in the hallway and children's shoes in the bucket and coats in the cubbies. We will then escort everyone into our fully air-conditioned gymnasium. Parents are welcome into the gymnasium.

Parents of small children and Special Needs children will need to accompany their children. We want everyone to make themselves at home. We look forward to hosting your child's party.

FOR YOUR SAFETY AND THE SAFETY OF YOUR GUESTS

No one is allowed on any equipment unless accompanied by an instructor. No one is allowed back in the gym area once everyone is in the party room. Absolutely no adults are allowed on the equipment at any time.
